

PackMaster™ Manual Waste Compactor

10001258

Benefits

Easy to Use

Simply place a drum of materials on the base and compact it by operating the ram lever.

Portable & Powerful

Use it anywhere in your facility as no electricity or hydraulics are needed. This manual-powered model compacts with 4,000 lbs of force.

Convenient

Use with standard 55-gallon open top drums or standard 30-gallon drums with optional 17" ram plate.

Safe

Long lever keep operator's hands and face safely away from the compaction area.
