

PackMaster™ Air Powered Waste Compactor

10001259

Benefits

Easy to Use

Simply place a drum of materials on the base and compact it using air power.

Fast & Powerful

Compaction cycle time is just 30 seconds with standard shop air (100 psi minimum) that will deliver 3,500 lbs of compaction force.

Convenient

Use with standard 55-gallon open top drums or standard 30-gallon drums with optional 17" ram plate.

Safe

Two-handed safety lever keeps operator's hands and face safely away from the compaction area.

Overview

With the **PackMaster™ Air Powered Waste Compactor**, you can reduce your waste disposal and storage costs up to 75% by compacting shop waste, packing material, PPE clothing, rags, gloves, furnace & pleated paper filters, and more.

- Air-powered operation delivers 3,500 lbs of compaction force at 125 psi.
