

## HashMark Master™ for Newstripe Stripers

10004800 for high pressure stripers

10004801 for low pressure stripers

### Benefits

#### Save Time & Money

Eliminate the need for a two or three-person crew as one person can do the same work at a fraction of the cost.

#### Convenient

HashMark Master quickly attaches to most Newstripe walk-behind stripers so you can seamlessly paint your field and hash lines with ease. Plus, it uses your striper's spray gun, so there is no need for additional accessories.

#### Easy to Use

No need to stop and measure or drag heavy, paint-soaked stencils from one spot on your field to the next.

#### Built to Last

Proudly Made in the USA using welded steel construction to provide years of trouble-free service.

### Overview

The **HashMark Master™ Attachment for Newstripe Stripers** is a football hash mark painter that eliminates repeated measuring or using stencils that require a two or three-person crew. With this convenient striper attachment, you can easily paint hash marks up to five times faster than other methods.

- Quickly attaches to most Newstripe walk-behind field stripers.
- Pre-measured yard stick makes it easy to go from one hash mark to the next one. It's simple to use and easy to master.
- Proudly Made in the USA and Free Shipping is available.
