

HashMark Master™ for Graco Stripers

10004868 for Graco FieldLazer S100

10005147 for Graco LineLazer 3400

Benefits

Save Time & Money

Eliminate the need for a two or three-person crew as one person can do the same work at a fraction of the cost.

Convenient

HashMark Master quickly attaches to Graco's FieldLazer S100 or LineLazer 3400 walk-behind stripers so you can seamlessly paint your field and hash lines with ease. Plus, it uses your striper's spray gun, so there is no need for additional accessories.

Easy to Use

No need to stop and measure or drag heavy, paint-soaked stencils from one spot on your field to the next.

Built to Last

Proudly Made in the USA using welded steel construction to provide years of trouble-free service.

Overview

The **HashMark Master™ Attachment for Graco Stripers** is a football hash mark painter that eliminates repeated measuring or using stencils that require a two or three-person crew. With this convenient striper attachment, you can easily paint hash marks up to five times faster than other methods.

- Designed to easily attach to Graco S100 & 3400 field stripers.
- Pre-measured yard stick makes it easy to go from one hash mark to the next one. It's simple to use and easy to master.
- Quickly folds up & out of the way when not in use.
- Proudly Made in the USA and Free Shipping is available.
